1) The sanction accorded in G.O. No. PW. 1254-56/Irri 15-45-6 dated 8.9.1945 for the continuance of the marginally noted establishment for the supervision of River Channels in Hunsur and Heggadadevankote Taluks expires on 30.6.1946

2) The Chief Engineer has reported that the area to be looked after by this establishment is spread over two Taluks in a forest area and that the continuance not only ensures an economical use of water with a higher irrigation duty but also proper maintenance of the Channels whose total length is 259 5/8 miles. It is also stated that no acreage cess is being levied on the lands below the Channels. The Chief Engineer requests that pending examination of continuing this establishment on a permanent basis its continuance till the end of June 1947 may be sanctioned.

Secretary to Government Dated 28/5 Rec'd

Continuance of the establishment for proper supervision of River Channels in Hunsur and Heggadadevanakote Taluks.

I have the honour to state that sanction accorded in Government Order No. P.W. 1254-56/1759 Irn. 15-45-5 dated 4-9-1945, to the continuance of the above establishment expires on 30-6-1946.

2. The area to be ~~worked~~ looked after by this establishment is sufficiently wide comprising 2 Taluks in a forest area. The continuance of this establishment will enable the Department to secure an economical use of water with a higher irrigation duty. In the interest of efficient distribution of water and proper maintenance of the channels, the Superintending Engineer, Mysore Circle has recommended that the establishment may be continued permanently. Pending further investigation of the question, sanction of Government to the continuance of the establishment end of June 1947 may kindly be obtained and communicated.

3. No acreage cess is being levied on lands below the channels in Heggadadevanakote and Hunsur Taluks.

I have the honour to be,

Sir,

Your most obedient servant,

CHIEF ENGINEER FOR IRRIGATION.

Sir,

River channels in Hunsur and Heggadadevanakote Taluks.

With reference to your letter No.P.W.90/Est. 117-45-2 dated 3rd July 1946, on the above subject, I have the honour to state that additional establishment sanctioned for the above work is reported to have been included in the re-organisation sanctioned to the Irrigation Circle in Government Order No.P.W.9012-17/Est. 29-45-16 dated 27-6-1946. As such, there is no need for the establishment being sanctioned separately and the question may kindly be dropped.

I have the honour to be,

Sir,

Your most obedient servant,

13.11.46

With reference to your memo No.P.W.2367 dated 15-10-1946, forwarding a copy of D.O.letter No.6-10-1946, from the Personal Assistant to the Minister for Public Works, to the Superintending - Engineer, Irrigation, regarding the above subject, I have the honour to forward herewith a proposition statement for the establishment required for the supervision of river channels in Heggadadevanakote Taluk. This establishment is required for a period of 18 months. Pending sanction to the proposal, one Overseer and two Suboverseers have already been posted to start the Survey works. I request that sanction of Government to the entertainment of one Overseer and two Suboverseers and one Tracer for a period of 18 months may kindly be obtained and communicated. As there is no provision to meet the cost of the establishment in the sanctioned Budget, the same may kindly be ordered to be debited to "23 Irrigation - 5 Establishment."

I have the honour to be,

Forwards proposals for the entertainment of one Overseer and Two Sub-Overseers for a period of 18 months for the supervision of river Channels in Heggada devenkote Taluk.

A 2 The above proposals have been sent by the CE as per instructions issued to the Superintending Engr, Irrigation Circle, by the Minister for Pows I&C

2. The cost works out to Rs 308/- per month or Rs 6350/- for 18 months including TA and contingencies, as per provision statement put up. The CE suggests that the cost may be debited "23 Irrigation - 5 Est" as there is no provision for the establishment in the sanctioned Budget.

3. Before the re-organisation of the Irrigation Circle, an establishment consisting of two Sub-Overseers and other Malavamaigatis was sanctioned every year under Ranchis for the supervision of River Channels in Hunsur and Heggadadevankote Taluks; but this has since been discontinued as the CE has reported

4. Government Order No. P. W. 1034-35—Est. 29-45-2, dated 21st August 1945, directing that the Irwin Canal Construction Division at Mandya be continued till the end of September 1945, pending examination of the proposal for its permanent retention.

5. Government Order No. P. W. 4954-55—Est. 41-45-6, dated 16th January 1946, sanctioning the continuance of the Kabbini Reservoir Project Sub-Division with the additional Sub-Overseers till the end of June 1946.

6. Correspondence ending with letter No. 6107—E., dated 14th March 1946, from the Chief Engineer for Irrigation, submitting proposals for the re-organisation of the Irrigation Circle of superintendence including the Divisions comprised therein.

ORDER NO. P. W. 9012-17—EST. 29-45-16, DATED BANGALORE, THE 27TH JUNE 1946.

All the capital works on the several branches of the Irwin Canal, *viz.*, the Shimsha, Hebbakavadi, Nidaghatta and Turuganur Branches for the execution of which the Irwin Canal Construction Division has been continued at Mandya, have been completed, the only allied works remaining being (1) extension of the Shimsha Branch and opening of pick up channels to make up the area lost by the creation of dry belt around the villages, (2) opening of inter-village roads and (3) execution of anti-malaria engineering works. With a view to attend to the work of maintenance of the several channels and the vast extent of irrigation thereunder, the Chief Engineer has submitted the following proposals for the re-organisation of the Irrigation Circle of Superintendence including the Divisions comprised therein :—

(1) Formation of a new permanent Division at Krishnarajnagar for looking after the upper channels ;

(2) Retention of the Irwin Canal Construction Division at Mandya on a permanent basis and fixing the headquarters of the two Divisions (Irwin Canal Division and Irwin Canal Construction Division now at Mandya) one at Mandya and the other at Malvalli ;

(3) Creation of the post of a Personal Assistant (Assistant Engineer's rank) to the Superintending Engineer, Irrigation Circle, with a senior clerk on Rs. 70—5—95 to the Circle Office in addition to the existing establishment ;

(4) Reduction of the establishment resulting in a saving of about Rs. 40,000 in the establishment charges ; and

(5) Transfer of all channels and tanks in the basins of the Schedule rivers, contemplated in the 1924 Agreement with the Government of Madras, to the charge of the Irrigation Circle.

2. After careful consideration, Government are pleased to accord sanction to the above proposals of the Chief Engineer, the establishment sanctioned for the several offices comprised in the Irrigation Circle being as shown in the accompanying proposition statement.

No. P. W. 9012-17—Est. 29-45-16, dated 27th June 1946.

3. The Chief Engineer is requested to see that full strength of establishment as now sanctioned is not entertained unless absolutely necessary.

4. The continuance of the Irwin Canal Construction Division with the existing officers and the entire establishment is sanctioned till the proposals sanctioned in this order are given effect to.
